Elias Carr Pres't N. C. F. A.

My dear Sir,

I write to inquire if the County Crop Statistician will receive pay for his services & if so, how much and from what source.

In order to make reliable & accurate reports, it will require considerable time & labor, & a competent person will not accept the position without reasonable compensation.

Please answer at your earliest convenience.

Fraturnally yours,  
James Bond Pres't
