Elias Carr Esq

Dear Sir & Bro.

There is a gentleman  
living in our Community  
who I think would like to  
join our Alliance.

He is a licensed lawyer  
and we do not know as to  
his eligibility.

He gives his whole time to  
Farming & does not practice  
law & has not for several  
years & also lives in the  
Country. He is one of our  
best citizens & I think would  
be a great help to us.

and I write to know what you

Think of his eligibility  
Would like for you  
to answer this by private  
letter if not too much  
trouble to you  
yours
