Dear Mr & Bro. There are
some Cherokee Indians here who want to
join the Alliance. Some half breeds &c.

Some of them are very good citizens.
Can talk English all right. Are they
eligible to membership? I see that the
Organizer of Graham County took some
of them in. he said under the instructions
of Pres S B Alexander. Our Alliance
is growing in this part of the state.

We have a very large majority of the
best farmers. You will please let
me hear from you at your earliest
convenience on this Indian question.

They prefer being organized in
Alliance Law & Order.
