Hon Elias Carr

Dear Bro:

I write you in haste. Maj
W. W. Rollins of Marshall N.C. is a large
farmer, cultivating through his tenants, 250
acres of land in Tobo. He has established
at this place, a ware house for the sale
of leaf tobo & was selected by the
Madison Co farmers to sell their tobaces.
He states to me that he consulted Bro
Sid P. Alexander before joining the
Alliance & that Bro A. told me he was
eligible. The question will come
up for settlement at the Madisons
meeting at Marshall on next
Wednesday. Therefore it is very impor-
tant to have your decision
as to whether he is or not.
He is anxious to stay
that he is only an

the farmers. He is a man of great influence in the county, and has been useful & clever in buying seeds & fertilizers for his neighbors & the people of his county generally. Of course these things should not settle the question involved. They are only of use in showing the effect of whatever action the order may take in the case. It is a fact that Maj Rollins charges a commission on sales, but he is not a merchant by profession or trade.

Be kind enough, good brother, to write
