CHICAGO, OCTOBER 31 1890

Hon. Elias Carr, Commissioner

Old Sparta, North Carolina.

Dear Sir,

We send you this day a pamphlet setting forth the scope and the objects of our design for the Columbian Exposition.

We earnestly ask that it receive your attentive consideration.

Whilst we in our position do not presume to be judges in this matter, we have laid before you a careful statement, and we cannot but feel that it merits your close study.

For ourselves we feel convinced that there is here, at least an opportunity for a grand and striking Success.

Whether we are right or wrong in this opinion remains for you to decide.

We ask you to individually determine whether there is such an opportunity, and if there is, in the interest of the World's Columbian Exposition, not to let it slip without thorough investigation.

Yours truly

*E. S. Jenison & Co.*
