My dear bro Carr,

Your third letter was received last night. Am glad to know that things are set aright, now I ask you to do me the favor of giving all your time between now and the election to help beat the negro cheatman, I promise you if I am elected that the people of this dist' shall have no cause to regret it. Our cause shall be upheld and what I may lack in ability will be supplied with zeal honesty and integrity. I should think that honest democrats ought not to be prejudiced against me because of reports circulated

Remember it to that to the

by then the time

are that night, don't ask you
to do the idea from of going all

change to help that the night
because I promise you if I
can think that the people of

to spend it. The reason that
the night and what it might be
an ability with the suffering and
just having and enjoying that
what don't know, although not
to the particular, although we
because after a while, however,

when others are seeking a
nominations, it is natural
for one party to try to build up
its man and in order to do
so pull down the other, such
I know have been facts in my
case, This all ought to pass
away now and all ought to
fight for the platform of the
party as adopted at Raleigh
and Winston, Do what you can,
my confidence in you is such
that I know you will.

I am dear brother

Yours truly
