Dear Elias

The Beta put off at Centre Bluff yesterday morning a lot of bricks. It was very early. did not say who they were for. they are in bad order. 25 per cent or more bats. some very good & some soft-bricks. If sent for me I prefer you seeing them before moved. If sent for me, there must be some mistake, I gave orders for your best bricks. And I am sure you would not knowingly sent such a lot of bats & bricks. The lot got of you some time ago. were good bricks. did not loose five per

in town & handling. Let me
hear from you

Truly your friend
R. R. Cotton

in some the other, let me
know how you

Very yours
