Dear Uncle Elias:-

I was very much disappointed not to have seen you during my brief visit to Edgemont, I fully intended to run down and spend a night ~~or night~~ with you - I was in Tobera only two days - and sick all the time, and am just now getting to be myself again -

My head affair is off - as I told you I was not willing to go on the offer, so the matter is off at least for the present.

I go to Nashville Tenn this week to attend the N.S. Conv., and I wish the trip was over.

What do you think of the attack of the Topeka Kan Star upon our friend Col Pope? I presume of course

Dear Mother

I have just received your kind letter of the 19th and I am glad to hear from you. I am well and hope these few lines will find you the same. I have not much news to write at present. I have just had a letter from my brother and he says he is well and is getting ready to go to school.

that you have seen it -

Please let me know if the cow you
kindly presented to my wife is in
travelling condition, and I will
arrange to have her brought up -
If she has a calf, I think that
the calf had better remain, as we
want the milk and butter, what
do you think about it -

I hope that your trip is coming
in to your satisfaction -

I regret that I did not see Blank
El before his departure - My love
to her and the children and Ben
Elias & John -

Thank you for the newspaper
getting "Macmillan's Museum"
Johnny sends best love for all.

I thank you very much for the
cow -
