Mr. Collier Sec. Dear Sir & Bro

As Lecturer of center
Alliance no 1348 I wish your
rendering in regard to trials
before the board of arbitration
their seems to be some misunder-
standing who shall determine the
punishment In Section 3rd art
seven of constitution says the Alliance
shall inflict the punishment
Sect 5 same art provides that
the board shall determine the
punishment What I wish to
know where we have a member
who ~~to~~ violates the constitution
or any bylaw or rule of a
sub Alliance can the board
try that member ~~for~~ ^{inflict} the
penalty attached to the crime with-
out taking the defendant before
the Alliance I think that it
was the power to ~~for~~ ^{for} the Alliance there are
who think differently of
