Old Sparta, N.C.

Dear Uncle Elias:

Mr Overby wants to pay \$100 and carry balance another year. Let me know what to do.

Father thinks if put to the test he will raise the balance rather than have property sold.

I have written to Spring Branch. Father is getting the Joe Hewitt mashes in shape. He is ready to make another payment as soon as deed can be made.

Yours Sincerely
W. C. Parker

My dear Mr. ...
I have been thinking of you
very much lately.

I hope you are well and
happy. I have been very busy
with my work lately.

I have been thinking of you
very much lately. I hope you
are well and happy.

Yours truly,
