Elias Carr Esq,

Dr Sir

A few of us who live remote (say from 3 to 4 miles) from any Alliance wish to organize an alliance at or near Bethlehem in Wilson Co. N. C. This will be a central point between four alliances and from four to five miles from either. Of course we will come here with Names & Cards as members of the alliance.

Now please tell us how to go about this work. We will get manag into the alliance who would not <sup>go</sup> to other Points.

if this new Alliance could  
be formed. What shall  
we do? What will it  
cost to organize? Shall  
we need an organizer  
to be present at first  
meeting.

Yours &c.
