

Mapleville N.C. June 10/90
No Elias Carr,

President N.C. F. S. A.

Dear Sir and Bro.

Can a person who has belonged to the alliance in one County and has been suspended for the nonpayment of his quarterly dues move to another County and join the alliance by application as if he had never belonged to the alliance, in other words; can we entertain his petition.

Our Alliance No 1161 has just such a case before it. he has been suspended over six months. please let me have your decision at once as some want to receive him, but I differ

with them, unless he pay his
dues to the Alliance he has
belonged to and bring a
Dimit. Hoping to hear from
you at an early date

I am Yours Fraternaly

G. L. Aycock

Secy of No 1161
