

June 13-90

Capt. M. Ashe.

I am in receipt of yours of the 9th. inst, also a former communication enclosing clippings to which I deemed no reply necessary, in that, the construction placed by you upon the extract from my letter to Mrs Britton, is entirely gratuitous. No where did I intimate that you knowingly made an incorrect statement. Your prompt correction precluded such a charge - But we do most earnestly protest against your unfair treatment of Mrs Inose, in refusing to publish his letter, that it might go out to the public together with good editorial notice - The Alliance wants and needs all the friends that can be had. It is not its mission to antagonize any class or profession but "to secure entire harmony and good will among all mankind"

Most Respectfully

Edwards
