Elias Carr Pres N. C. F. A.

Dear Sir & Bros

We are likely to get into some trouble, which may to some extent disorganize the Alliance in this section. I will give you a short history of the matter. At our meeting in April an effort was made to have the Alliance select candidates to fill all the offices. This met with opposition and the proposition was withdrawn.

Since then the Pres of our County Alliance has issued a Circular letter to each sub-alliance in the County requesting them to meet and make selections of men to fill the various offices, and report result to him. He will canvass the returns and notify the sub-alliances, giving names of the men who have received a majority of the votes for the respective offices. We are then compelled to vote at the primary for the men so selected, as our President rules that we are bound by the action. A great

we think it rather high handed and
arbitrary and are not disposed to
submit to such,

Will you please give me your opin-
ion and a advice on the
subject,

Yours Fraternaly
