Col Carr

Dear Sir & Mrs

I have been thinking recently that the best thing we can do for next 3 or 4 months is to put our papers in the hands of our members who do not read - many of them ought to have them before the Township primary meetings or held, possibly a dollar or two gotten up by each Sub Alliance will give our non reading members the Progressive Farmer during the Campaign

Many of our good men read only the political or party papers and you will agree with me that this begets apathy and indifference for our cause. They read a Corliss or Mills or give of a question and never see a reference to Livingstone or Wendell. Let the New York Tribune only circulate among the Democrats of N.Y. for 3 years and what sort of Democracy would we have? The two cases are somewhat analogous I don't

know that he will
do it, but the Boston
published Mr Mills
I have asked him to
put back Wendell, but
but both on the Editor of
Walden have spicy &
strong articles written
and let's flood this state
with Alliance papers
for next 3 or 4 months
With arrangements
made for cheap clubs
or Campaign notes
and a word from you
to Sub Alliances and
Thousands of our men
will read your papers
who otherwise will
not see them I have
written this merely
as a suggestion and

hope it will meet
your approval.
With best wishes
I am fraternally
Yours
J. M. Letcher
County Secretary
