

OFFICE OF

W. H. WORTH,

State Business Agent of the N. C. Farmers' State Alliance,

Raleigh, N. C. 6/17 1890.

Chas. L. ...  
Olasparta N.C.

Dear Sir & Bro.,

I am anxious that the Farmers Alliance of N. C. shall handle their crop of Cotton this year. Will you kindly suggest the best plan that in your judgment would tend to that result? Do you think best to employ a man to be located at Norfolk, Va. to sell our Cotton, and other produce? Do you know a suitable person to fill that position?

By giving us any suggestions you will confer a great favor on the Cotton section of our State.

Fraternally yours,

W. H. Worth,

S. B. A.
