

Raleigh, N. C., June 20th., 1890.

Mr. Elias Carr,

Old Sparta, N. C.

Dear Sir & Bro.,

Yours of the 25th. enclosing a letter from Maj. Finger relative to Miss Darden to hand, and I forward it to her. I regret that we were too late to get her a position but hope she may get a position if she continues to desire it.

I saw Bro. Mewborn last week and he is very anxious to know how you feel as to putting out an Alliance candidate. He has two thirds of the delegation from Lenoir and will carry Lenoir Co., but if it is not the wish of other counties in the district he does not wish to be put prominently forth. I have talked with several brethren who say that the 300 Lawyers that we have now in Congress is all we need, and they would vote for no one who is not in sympathy with our demand. I understand that the County Democratic Convention here Saturday endorsed our demands. I also learned that Simmons was square against them. I can't tell whether it is true or not.

Faternally yours,

W. H. Worth,

S. B. A.
