

W. Olive N.C.

June 20th 1890

Dear Bro. Carr

In reply to your favor of the 16th inst. John H. Mims, Shallotte N.C. is Secy of Brunswick County Alliance, and M. S. Frink, Peacock's Store N.C. is Secy of Columbus County Alliance. I have but a limited acquaintance in either of the Counties named, and that not among the members of the Alliance. I know nothing of these gentlemen except that they occupy the official position they do in their Alliances.

If you have any hesitation
in writing to them yourself
drop me a line, and I will
write to them and procure
names and addresses for
you without disclosing the
purpose, or using your
name in the matter. I have
written to Bro Gore, you can
rely upon him to serve the
Alliance in any manner
he can. The farmers ought
in all justice to be represented
by at least five farmers in
Congress from this State, and
yet in this District the
politicians are making
a desperate effort to
the only farmer

representative we have, If
McClammy is defeated, which
I do not think likely, Col
Green will succeed him.

If at any time I can
serve the Alliance, or yourself
personally do not hesitate
to command me.

Yours fraternally
J. B. Oliver
