

Grimesland, N. C. June 28 1890

Hon. Elias Carr,

Pres. W. C. S. F. A.,

Old Sparta, N. C.

Dear Sir - Pick Co. has
in its membership a lawyer
who is creating much dis-
-ension and dissatis faction
among our people -

He is now farming but
holds a lawyers license dis-
-claiming the occupation of a
practising attorney -

He was for some time
Solicitor of the Superior Court
in this Co. and it is charged
he made a most disreputable
officer - I refer to Mr. Andrew
Layman.

I individually know nothing
of the charges in question
and personally have nothing
against Mr. Jaynes —

There will be an attempt
made to expel him next
Friday or the next meeting
of the Co. Alliance thereafter—
such action will array
Mr. Jaynes and his friends
against the Alliance &
may militate to its injury.

A letter from you plainly
covering such a case, and setting
forth your constitutional views
in your executive capacity
will prevent much needless
discussion & personal misunder-
standing. We will be pleased to hear
from you either by letter or through
the columns of the Progressive Farmer.
With much respect, sincerely,
J. Bryan Grimes
Secy. of Grimes and Alliance
