PROGRESSIVE FARMER

The Organ of the State Alliance of North Carolina.

Raleigh, N. C., June 28, 1890.

Dear Mr. Carr,
Old Sparta, N.C.
Dear Sir:

Your favor of 28th to
Bro. Ramsey is received. As he
is in Iredell County, attending a sick
Brother, I will endeavor to reply.

Of the 100,000 members of the Order in
N. C., only about 1/11 read the State Organ.
P. Farmer has a circulation of 11,400 copies,
but a considerable number goes outside
the State, and then, the exchange list
is quite extensive. There are about
9500 subs. in this State. Col. Polk
announces in next issue that he will
send 5 copies 3 mos., for \$1.00, or 11 copies
3 mos., for \$2.00. Your suggestion
as to sending out a circular, I think
is the very thing to do. Will get up
one & confer with Col. Polk.
My Beddingfield could send it out with

his circulars, perhaps, and it
not be any extra cost to anyone,
alliance might advance money
from its treasury to a brother, not able
to pay the 25¢. As Henry W. Grady
once said: "It seems that these terms
might catch subs, 'world without end.'"

A short letter from you in the
circular would be much appreciated by
P. Farmer, and would carry great weight,
coming from head-quarters.

yours truly & fraternally,
W. F. Daly.
