Col L. L. Polk Pres. N.A.

Dear Sir. I take the liberty  
of asking a few questions  
hoping you will consider  
and answer

My County New Hanover  
the last I believe in the old  
State of NC has organized  
a county Alliance

I have the honor of being  
Pres of one sub & leet  
of County

Since being a member  
the Colored People has  
asked me to intercede  
for them and try to organ<sup>ise</sup>  
them I promised them  
I would consult you  
in their behalf

if Constitutional and  
consistant with the W<sup>n</sup> <sup>ms</sup>  
endued with proper attorney  
I think they could be  
organised by Nov

that is this County with  
the power to call an assitant  
I am presuaded we could  
do wonders in New however  
perhaps all over the State  
& South

let me have your views  
as soon as convienant  
before the State Asiance  
meets as I expect to  
represent this county

Yours fraternaly  
L R Mason
