

Mr Elias Carr
Old Spots
Va

Dear Sir;

Some of the Sub Secretaries
have been in the habit, that when a member of their
resps. Alliances had been suspended for two, three or
more Quarters, and then again restored, by paying all
the Dues in arrears, to send with their quarterly reports
to the County Alliance only 10 Cents, the Dues for one Quarter,
whereas I always have claimed 10 cents for each Quarter
in arrears from all members restored. - Am I right?

To Day I received from Alliance 499 the report
and fees and paid Dues for the Quarter ending June
30 inst. - In a note accompanying the report,
the Secretaries say, that 15 members were restored
during the quarter, but that he has instructions
from his President to not to pay arrears
to the County Alliance whatsoever. Is Alliance
499 under these circumstances allowed representation
in the County Alliance, or rather, what is your
ruling in this case?

Awaiting reply at your earliest convenience

I am Respectfully
Yrs
