

Warrenton N.C. January 27 1888

Mr Elias Carr,
Norfolk Va

My dear Sir,

Your favour with
Statement of P. C. Davis note Comeduly to
Lumber Contract notice. The amount due
on the first 40 acres is more than I expected,
Walter H. Parker is Trustee for the last
purchase and you can instruct him
to foreclose whenever you think proper.
I understand that Peter C. Davis has
written to you for a Statement of his note
which I suppose you have sent him
see this. As yet I have done nothing with
the R. P. Alston place. My wish to my surprise
W. K. Williams has offered \$4000 Cash for
the place. All well send love

Respectfully,

Jacob Parker.
