Col. Elias Carr
 Old Sparta. N.C.
 Dear Colonel,

Yours to hand. I
 am glad that you have rented
 the plantation of my children
 so advantageously for the
 coming season.

Will you attend to
 the payment of the taxes, etc?
 I am probably as
 much elated as you are
 depressed by the late election.
 My impressions are that Mr
 Harrison is conservative
 and that his administration
 will not perpetuate anything
 like a race issue at the
 South. I hope not. It is
 time for the country to

Lay prejudices aside and
give attention to economic
questions in which the South
is not only equally but
far more deeply interested
than the North.

I thank you earnestly
for your kindness in attending
to the interests of my children
and if ever I can will be
glad to return it in any way

With kindest regards

Very Respectfully

Frank Decker
