Of course I intended all of
this only as a suggestion.

It may doubtless occur
to you as somewhat out of
place to suggest my own
name as one of the speakers.
I do not however intrude.
My subject embraces the
Department of Agricul-
ture incidentally. I think
the department useful
and I wish to sustain
it mainly as it is. If
you should think of
any other more suitable
person for the subject
it would be altogether
agreeable to me to be left
out.

I shall start to my places
in Jones & Lenoir Counties
in a few days and be
absent till about Dec. 10.

I shall cheerfully abide
by any decision you may
come ^{to} about holding the Jan.
meeting of the Association,
and I trust you will
pardon me for writing
so much.

Wishing you much
success in all of your
undertakings & interests.

I remain very truly
your friend
Alex. McIver
