## North Carolina Farmers' State Alliance,

Charlotte, N. C., Jan 15<sup>th</sup> 1888

Chas. Carr Esq

Dear Sir & Bro

An Alliance that subscribes nothing ought not to receive any benefits of the State Agency - our Business System will have to be radically revised or the Alliance will go down - two thirds of my correspondence is in regards to complaints - I will have the bill for the charter completed next week - and will send it to Raleigh Major Graham informed me yesterday that he has not quite \$14,000<sup>00</sup> and as the Cotton season has passed the chances are very slim of raising twenty thousand before next fall - Bro Dorden told me that we must raise the fund for him to do any thing - Graham tried to get him to act on the amt raised - but he did not say he would - I could not gather from him what he has done - I suppose we must live on faith

Yours fraternally

S. B. Alexander
