Dear Sirs,

In reply to yours of 3rd we have in passed six months greatly improved our large machines, one of our improved machines would please you, they are made much stronger in every way, have open cylinder heads on which to bolt knives there is no trouble getting knives off & on, have pulley on opposite side from fly wheel all previous & wheel driven machine is larger better and stronger in every way some of ours is \$400, as last machine sent you has not given you entire satisfaction will send you one of the latest for \$50⁰⁰/₁₁, will supply any parts that break in six month free of cost

Respectfully
Sinclair Scott Mfg Co
