 Old Sparta NC,
 Gentlemen

Your postal duly received by Tuesday's mail. I marked 4 Tubacco Ahd & had some placed on wharf for Steamer Beta to take up to you, but they passed here last night & failed to take them on, I regret the delay, but could not prevent it as they had gone by before I reached the wharf. The note I left with the night watch was not handed to Capt. Joellen. Should water rise so that the other steamers can go up I will forward promptly, if not I will send by Steamer Beta next trip, if I can see them. I note with pleasure your complimentary remarks as to make of Ahd's & thank you for your notation of defect & have refered same to Mr. A. Gleason, Manufacturer & feel sure he will try & remedy same, as he is always striving to please his patrons. I will forward Bill as soon as they are shipped. Yours truly R. M. Hearsey
