Dear Bro Carr.

Yours of 11th not to hand till this A.M. The parties have receipts for the money sent in. I think best to wait till you come over on the 18th. I would prefer you issue & send to me on my requisition and then each of us would keep better posted. Am glad you are looking after the Barbed Wire.

Yours Truly,

WEDNESDAY

Dear Mother

18th Nov 1864

Dear Mother

I have just got out the
some 500. I don't know the particular
purpose for the money but I
I think that to send you some
more on the 10th I would pay
you some 500. I don't know
how much you will need for
at present and I will put
it in your name in the bank after
the 10th I think.

Yours truly
W. H. W. W.
