Col. Carr.

Dear Sir

I have been informed that you have very good tobacco land on your plantation, and I also heard you had tried raising the crop this year.

I wish to secure a place somewhere through that section of Edgecombe or Pitt.

I am a young man of twenty one

Dear Sir

I beg to

your performance
of the last year

I wish to express
a few words
about the

I am a very

Years

of age. I was raised in Granville County near Oxford, and have been working in tobacco all my life.

I have made a crop with Mr. J. W. Powell this year with very fair success, will get not less than one hundred & twenty five dollars per acre.

My reason for leaving him is that, I think I can find better land than he has. He offered me a position for another year but I think

I can do better in regard to quality of land.

If you wish to know any thing of my moral character or standing I refer you to him, and give as many references as desired from my native county.

I will work and superintend a crop for or salary, or furnish and go in for part of the crop, if you wish ~~to~~ ^(get a) ~~to~~ ^{man,} I would like to hear from you, & what terms you are willing to offer

My dear friend

will continue
to be so for
many years.

if you do not
wish to employ a man
yourself. Probably you
know of some of your

If you do not
want to buy a new
pair of shoes, I think you
should buy one of your
neighbour's used
shoes, and then
that when you
go out in them
to school, I think
you will be
very happy.

Yours affectionately
