Mr Elias Carr,  
old Sparta,  
N. C.

Dr. Sir & Bro,

Under Art. V. Sect. I.

I will propose the following question;—  
without action of our alliance, being due  
of June 1889, 25¢ for past quarter & 25¢ for  
quarter—today Bro A. Comes forwarded and  
pay up and "become (a) member in good standing", How much  
I, as secretary, under Art. V. Sect. I. collect of him? The aid  
due when suspended—50¢; or the full aid he would have been due  
had he remained a member in good standing <sup>today</sup>—\$1.25? I  
pass on this to satisfy members, as this is  
a quarterly trouble
