Old Sparta - N.C.

Dear Mr Elias -

We have a reference card in  
our Alliance - which I would like to get your  
judgement on - If you will kindly render it -  
It is this - we have a young member who was  
a County - school teacher at time of joining -  
but has now moved into <sup>the</sup> town of Scotts Creek -  
Should he withdraw, or not -

Your early answer will oblige

Yours fraternally  
Henry N. Clark
