

Wolf Pond N. C.

Apr-16th 98.

Mr. Elias Carr.

Dear Sir,

When a man makes application for membership in the Alliance and is recommended by the investigating committee ^{and} a ballot is taken ^{and} two or more black balls are cast against him ^{and} it is well known that were cast on personal grounds, what steps should the body then take, and what steps

should the appli-
cant take to vindi-
cate himself?

Yours respectfully,
P. R. Belk
