Dear, Elias Carr,

Dear Sir, I am on
a committee to draft pe-
titions to congress relative
to the Dist. Agency or Ware-
house Bill, & drop you this
to ask how this State would
fare if said bill pass.

How many counties would
get warehouses, & which?

Can you endorse the bill
as it is, and would you
advise the Alliance of the
State to urge its passage?

Our Alliance is anxious to
do what is right in the matter.

Please reply by return mail.

Yrs. For, J. P. Dimson,

Res. Remick Co. All.
