Dear Sir- Enclosed please find Statement and check for $392.86 which I am in hope will prove correct and satisfactory - I deemed it unnecessary to itemize etc but will if you desire it. Rents have been difficult to collect, hence the delay - There was not three bales made on your place in excess of rent - The merchants who furnished the tenants are holding the bag. And declin to assist anyone who pays a stated rent. Hence I hand the place for one fourth the product - You are fortunate in having white tenants as the negroes are leaving this section when

ever an opportunity pre-
sents. My forests
almost denuded of
lobsters — along the Rocky
and near the shore they
have left in large numbers
for the far South and their
places are soon filled
by drafts upon the interior
section — only a further
concentration about the town
is the detriment of the agricul-
tural interests —
Wishing you and yours a
happy and prosperous New
Year —

Yours truly
