Dear Bro,

Tindall Alliance No 236.

Ask^d If a member of the Alliance has a right or is justifiable, in buying Corn, Bacon or any necessaries, from the Business Agency and letting their neighbors have at the same price It Cost them. (The Alliance) They want to know your opinion about it. I Tell them No one of our members has done this.

Also how long should a members name remain on the Book or Roll who is in arrears with his dues. I Think just at this crisis we should use all leniency we possibly can but do not like to be too lenient.

Please answer.

Fraternally
