

[April, 1890?]

Bro Carr

I enclose a letter from Bro Rogers please give me your opinion on it and return it Bro Buck would make a ga-l-o-r-i-o-u-s Congress man and I would like to see him in - It would elevate the Alliance to have a Monopoly of Congress men for a few years just as the Law has been elevated by Lawyers Monopolizing the Offices I have called the Exp Com to meet May 6th - Come & ratify
