

of the merchants who
is most directly affected by
principles. I want to get
everything straight without any
open violation of our principles
of unity and you see I have
our business Agt and Executive
Committee thinking differently
from myself, and it leaves
me to the members before whom
the matter must come and
will make a reorganization
necessary if the business Agt backed
by the Executive Committee contend
if you will state your
views of the matter plainly
I hope I can by that means
get the business Agt & Executive
Committee to yield without
the matter coming before
the Alliance with a persistent
leading in two directions.

Please answer the first
inquiry promptly as I want
the answer by next Saturday
and the second matter
want before the 4th of
as the matter will be before
the Alliance that day.

Yours very truly & gratefully
