

# HALIFAX COUNTY FARMERS' ALLIANCE,

No. 952.

T. H. CHRISTIE, Secretary.

BARRELL'S PRINT, WELDON, N. C.

Elias Carr Esq

Dear Sir and Dear-

Enclosed

Please find my report for last yr. I would have sent sooner, but some Alliances have been slow in sending in their reports, for which I have been waiting. You will see there is a marked falling off in payment of dues. Many say the times are so hard they cant get the money, but I think we need about half dozen Bro Pracies to stir them to their duty. There is a lukewarmness prevailing, painful to see. We hope the proceedings of the approaching State Alliance may be of such  
(over)

a nature as to infuse new life  
into the Careless and unconcerned,  
If we fail in our Mission where  
is the down trodden Tax ridden  
and oppressed farmer to look for  
succor?

Fraternallly Yours -

P. A. Christie
