Mr. Elias Berr
Chm. & Com. Co
Dear Sir & Berr.

I had on July

1st

\$21,480 in N.C. Bonds (4/2 Cs)
512 in Cash.

The bonds have cost

9000 + 93	\$8370.00
6450 97 ³ / ₄	6304.87
6000 100	6000.00

\$20674.00

I would suggest that you order the "Hand Clerk" in the Secy's Office to make a list of the vouchers received up to

Aug 1st or such time as you
may fix for settlement with me
giving

No of voucher - name of Alt. No of Alt.
and amount of voucher, adding
up each page. Then when I
bring my list down. Compare
the two and if there is any mis-
take it can be corrected

This will save you a large amount
of labor - I will then show my
vouchers for the money -

Alexander and I had a fine
time with the Mountain brethren
You should go to Asheville this
Summer and see by odds
the biggest town in the State.
Arrange to cross the mountains
one way by moonlight. I doubt
if any thing you will ever
see on earth equals this

beauty and grandeur.

I wish I could lead the
procession to Montgomery as
you have planned me - but it
seems to me we do not need
that Convention now that the
Alt. is ready for work -

This section is all for Alexan-
der's relation as Past. Can you
not see some of the Albermarle
brethren while in Raleigh -
I would be glad to have the
State Alliance Chap B. A. F. Article
or I could get my pay quarterly -
The necessary amount is assessed
and the extent could be turned
into the State Treasury - It makes
it absolutely necessary as it now
is for me to see some of it and
replace as I get my pay -
So far I have received \$682.00 for
eleven months work.

and my expenses have been the
fruit of it going to Charleston
to deposit with Statham &
Porter - but I will refer to this
in my report -

Much harm has been done
by high water in this section
but so far I have escaped -
thanks to Providence -

Very truly & fraternally
W. A. Graham
