NORTH CAROLINA

Auditor's Department.

Raleigh, July 8th 1889.

Dear Sir: Yours, enclosing Delegate's Certificate to Inter State Farmers' Association, which meets in the City of Montgomery, Ala, Aug¹ 20th, is to hand. Please accept my sincere thanks for your kindness in this matter. I am exceedingly anxious not to lose my identity as a farmer and don't mean to do so if it can be prevented by the maintenance of a warm interest in, and support of, every measure and method that tends to promote the advancement of the welfare of farmers. - Your appointment enables me to manifest my interest in a public way, and I accept and thank you for it and mean to be present at Montgomery at the time designated. -

Sincerely Yours,
G. W. Sanderson.
