Hon. Elias Carr:

Dear Sir & Bro:

In reply to my
query, Bro. Ed. Warren referred me
to you for facts and figures regard-
ing a cotton seed oil mill.

I am publishing a newspaper
in my county, am a member of the
F.A. and, we are after information
with a view of establishing a mill
in our county, and trust you
may find to give us answers
to the queries and any other items
which might shed any light on
same.

1st - What is cost of Power, machinery,
buildings, &c., of a one-press or
10-ton mill? Of a 20-ton mill?
