Elias Carr & Son,  
Old Sparta, N. C.

Dear Sir:-

Replying to your favor of the 15th, we beg to say we do not make carrying cans smaller than 20 gallons. These are made from 4 XXXX stock with "iron clad trimmings", and are such cans as are used in carrying milk to factories. We formerly made them in 15 gallon cans, but the demand was so light that we do not carry the trimmings in stock now.

Our price for the 20 gallon cans will be \$5.<sup>50</sup>~~20~~, and can ship from this point or from New York City where we have stock.

Hoping to furnish you with these, we are,

Yours truly,

Moseley & Stoddard Mfg. Co.
