Dear Sir

I did not think of it when I wrote you - but it would be better to postpone the meeting of the Executive Committee until after the Legislature passes the Charter for the Alliance. I sent it last Tuesday. It has a provision that the Executive Committee can accept it until the meeting of the State Alliance when said Alliance can accept or reject it. The Charter is the broadest ever sent to the Legislature and if it is passed without amendment - we can do any thing - if we can get the means. On this account I would suggest the postponement

Sincerely

Fraternally

J B Alexander
