

Weaverville N.C.

Dec 1 - 90.

Hon Elias Carr.

Dear Sir.

Our Alliance has become so large and unwieldy, that we deem it best to divide and make three. The Constitution admits of two constructions some hold that we petition for Charters under seal, and that Charters will be issued to the new Alliances free of Charter fees. While others hold that they will be charged the regular fees. - Will you kindly set us right - We are getting along all right though our Republican friends with few exceptions, say they will not attend any more meetings. - although they confess that they - many of them joined, to defeat the Democratic party. We have never allowed politics to enter into our discussions.

and treated them as Alliance men
should be treated, We hope however
when the owners of defeat is
over they will return.

With best wishes for the
success of your administration
of the organization &

I remain yours fraternally
C P Weaver
