Mr. Elias Barn

My dear Sir

Your favour of the  
17<sup>th</sup> Inst. came duly to hand. As the  
Notice, so I then came up to pay  
the money before Mr. S. B. Williams  
received the papers. He was  
in town a few days since & said  
that he had put his money  
out to be returned the 15<sup>th</sup> of  
January at which time he would  
pay the amount due.

Will remit just as soon as the  
money is paid. Very truly yours  
Jacob Barker
