

Worcester N.C. Dec 24 1890

Mrs C Carr

Mr Parker was asking me about the Estate of
my Father. I think there is now due about \$1300⁰⁰
There is 500 acres of land & 150 in Dower making
a 500 Borker & you are largest Creditor

I'm not able to buy. None of the other legatees are
interested. So if you dont go in with Borker, he may
hobble up the whole. I have not said anything
to him on the subject (Dont think he is disposed
to be hogged) He'll do what he thinks is right
at all hazards. Suppose you write to him.
Hope Cousin Ell & all are well. I would be glad
to come down if I had time

Say to the girls that I've got back from N^o 3 yesterday
had a pleasant trip & would be glad to see them
& wonder what Santa C has brought them
that they ^{are} in a friend he will be poor when
he lands here. Write & see send love
With love
Bro friend & kin
