

Elias Carr Esq.

Old Sparta N.C.

Dear Sir

The

James arrived safely on Fri. eve.  
last. Please accept hearty thanks  
for the Vine - also the trouble  
to yourself. I shall try  
to make this vine grow & thrive  
in this poor soil. But I confess  
I was in doubt as to what  
Fertilizer would be most  
congenial to it. I decided to  
use Bone Meal & hope that  
may be right.

I shall certainly avail myself  
of the first opportunity to join your  
order. Hoping that I may  
at no far distant day have the pleasure  
of again meeting you, I am
