Farmers' Alliance.

Old Spotted N.S.

Dear Sir & Bro.

Please answer

The following questions through  
the Progressive Farmer. If one  
after joining the Alliance engages  
in Merchandising whose agricultu-  
-ral interest exceeds his Mercantile  
interest, is it in harmony with  
the Constitution and Alliance  
practices, to retain him as a Member?  
Second - Is one, admissible to  
membership, who is already a  
member while his agricultural  
interest exceeds his Mercantile Interest?

And Oblige
