

Bissett's alliance No. 777
Nash County N.C.

Wilson N.C. is my post office

Bro Elias Cain we need a little

Instruction from your month to our alliance
has a Lady any Business in an alliance who
has no folks in it.. more particular she a
citizen of Wain county then come up in
Nash to stay with her sister a while.. Some
of our members wants her in others does not
thinks it unconstitutional.. They are about
to differ Bodley over such a case.. I decided
it illegal to take her.. now to satisfy we
need your advice in the case.. please give
us the main sketches of Ladies joining the
order in full as I think that will settle the
question entirely.. Some members becomes
over cited too soon not being the right
way.. we must stand up to the right way
I contend that Ladies is of value to the order
only to hold up decency.. some time their
advice are good in some cases of the order
and at home with her husband &c &c
done in obedience to Bissett's alliance
